Die Show

Ethereal sound fills the room. An athletic figure emerges from the misty blue depths of the stage. Moving purposefully, he escapes the forces of gravity and rises up high into the air. There, in lofty heights above the audience, begins a graceful dance - a visually fascinating performance, combining aesthetics and strength. Powerful artistic skill that is admired the world over for its meditative beauty and suspense.

For the artistic perfection of their performances **Marée flyingarts** have won numerous international Gold awards.

We can offer you:

- Integration of your logo, brand colours or products
- Flexibility in show format and length
- Individually tailored performances to suit your event
- Mobile equipment that enables us to perform at venues without rigging point
- Performance on a stage or in any location
- Professional handling of all technical installations
- An unforgettable highlight for trade fairs, events or roadshows

The artist

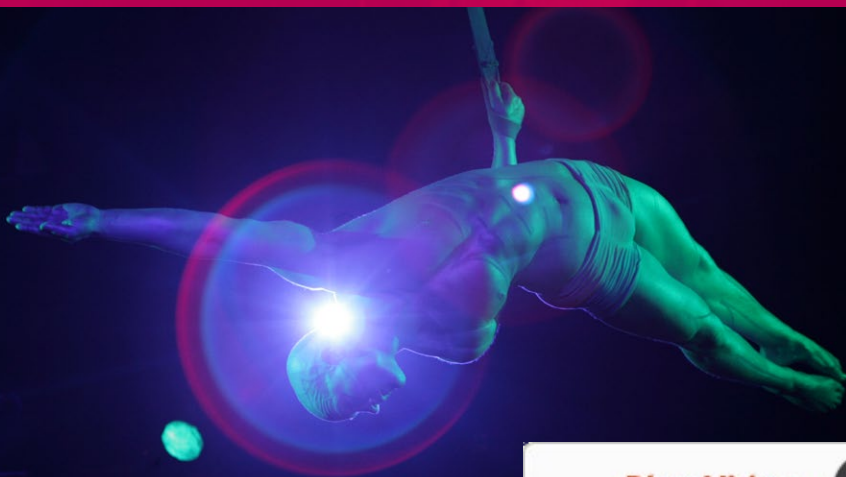

The Berlin-born artist Marée, founder and creative force of **Marée flyingarts**, set up the group in 1997 to offer his unique artistic performances at events and trade fairs. Since then, Marée and his team have produced shows at many high-profile events for renowned companies. Highlights so far include their spectacular shows at the opening ceremony of Munich's Allianz Arena and appearances on German television. Having been named Germany's "Artist of the Year" twice - alongside numerous other awards - Marée is now one of Europe's most sought-after performance artists.
